

**Plan assembly
like you never
have before with**

 **Assemblio**

Assembly planning until now

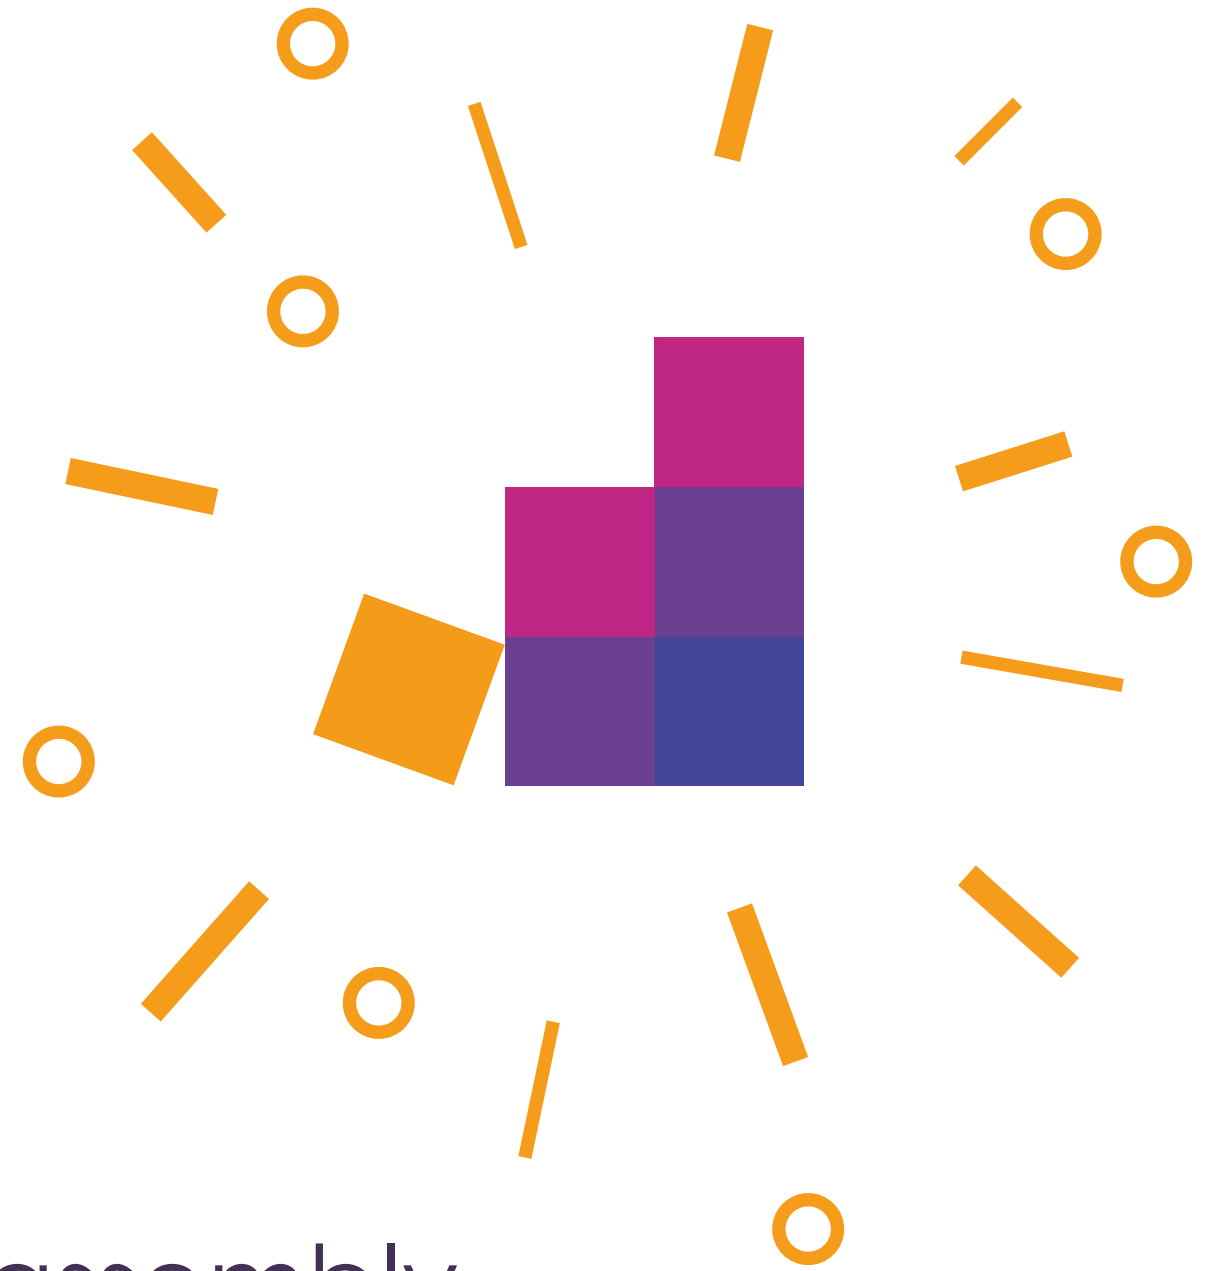

A BACKWARD LOOK

- Time-consuming data collection
- Creating assembly instructions with screenshots and photos
- Documents never up to date despite high effort
- Time-consuming maintenance and revision

Assembly planning with Assemblio

THE FUTURE IS NOW

- ◆ Automatically create assembly instructions and videos with AI
- ◆ Assembly instructions in just a few minutes - even for batch size 1
- ◆ Documents always up to date through automatic updates
- ◆ No IT or installation

SAY GOODBYE TO TIME-CONSUMING ASSEMBLY PLANNING!

**92% faster assembly
planning**

**Always up-to-date
documents**

**Available everywhere
and at any time**

**Easy handling even
without CAD knowledge**

Assembly Planning intelligently automated!

YOUR ASSEMBLY CAN BE AUTOMATED, TOO!
